Looking For The Floating Platform Of Choice?

Highly Stable pontoons That Are Safe, Strong & Protect The Environment

A platform that's aesthetically pleasing and safe is of paramount importance.

Our modular floating pontoons are highly stable and because they're made from non-pollutant materials, they're safe for users and the environment

What's Great About Modular pontoons?

- They're incredibly strong and robust
- They transform into any size including around posts, columns and corners
- They're exceptionally buoyant and can withstand up to 350kg/m2 or more if required

-  Free estimates
-  Delivery and collection service
-  Assembly and dismantling service
-  Need some extras? Safety boats, outboard motors and life jackets are also available
